Research Interests

Small-scale societies; ritual and community; identity and ethnogenesis; demography; colonialism and colonial entanglements in the Americas; ethnohistory; lithic and obsidian hydration analysis; California, Great Basin

Education

PhD, University of California, Berkeley, 2002.

Major: Anthropology

Dissertation Title: Culture Contact in Context: A Multiscalar View of Catastrophic Depopulation and Culture Change in Yosemite Valley, California

Advisor: Lightfoot, K. G.

MA, University of Calgary, 1983.

Major: Archaeology

Dissertation Title: Application of Microdebitage Analysis to Examination of Spatial Patterning

Advisor: Reeves, B. O.K.

BA, University of California, Berkeley, 1981.

Major: Anthropology

Professional Positions

Professor, Anthropology & Heritage Studies, University of California, Merced (2019 - present)

Associate Professor, Anthropology, Humanities & World Cultures (HWC), University of California, Merced (2012 - 2019)
