Research Interests

Small-scale societies; demography; ritual and community; identity and ethnogenesis; ethnohistory; impact of colonial encounters on native people of the Americas; lithic and obsidian hydration analysis; California, Great Basin

Education

PhD, University of California, Berkeley, 2002.

Major: Anthropology

Dissertation Title: Culture Contact in Context: A Multiscalar View of Catastrophic Depopulation and Culture Change in Yosemite Valley, California

Advisor: Lightfoot, K. G.

MA, University of Calgary, 1983.

Major: Archaeology

Dissertation Title: Application of Microdebitage Analysis to Examination of Spatial Patterning

Advisor: Reeves, B. O.K.

BA, University of California, Berkeley, 1981.

Major: Anthropology

Professional Positions

Associate Professor, Humanities & World Cultures (HWC), University of California, Merced (2012-Present).

Assistant Professor, Humanities & World Cultures (HWC), University of California, Merced (2006-2012).

Lithics Department Director/Senior Project Director, Statistical Research, Inc. (2004 - 2006).

Co-Instructor, Department of Anthropology, California State University, San Bernardino. (2005).

Lecturer, Department of Anthropology, San Jose State University. (2003 - 2004).
