

Homework 1

Due before class Jan 26

1. Pinchover and Rubenstein Chapter 1: 1.1, 1.3, 1.6, and 1.7
2. Levy and Shearer Chapter 1: 3, 4, 6, 7, 8

Note that this is the minimum number of problems you should be solving. Other problems in Pinchover and Rubenstein Chapter 1, and in Levy and Shearer Chapters 1-2 are good practice problems.
