

Homework 2

Due before class Feb 9

1. Pinchover and Rubenstein Chapter 2: 2.4, 2.6, 2.10, 2.13, 2.16, and 2.20
2. Levy and Shearer Chapter 3: 1, 5, 8, 9, 10, 12, 14, 15

Note that this is the minimum number of problems you should be solving. Other problems in Pinchover and Rubenstein Chapter 2, and in Levy and Shearer Chapters 3 are good practice problems.
