

Homework 4

Due before class March 16

1. Read Levy and Shearer: Duhamel's Principle 4.4 and relate to what we discussed in class from Pinchover and Rubenstein Section 4.5
2. Pinchover and Rubenstein Chapter 4: 4.3, 4.4, 4.6, 4.7, 4.11, 4.13, 4.15
3. Levy and Shearer Chapter 4: 1, 2, 5, 8

Note that this is the minimum number of problems you should be solving. Other problems in Pinchover and Rubenstein Chapter 4 , and in Levy and Shearer Chapters 4 are good practice problems.
