

A student asked how to locate the special issue of the journal in order to find the articles for this assignment. I think others will also find the following guide useful.

First, note that the paper I posted lists the name and volume of the journal:

**ection
ice:**

Perspectives on Psychological Science
7(6) 528–530

© The Author(s) 2012

Reprints and permission:

sagepub.com/journalsPermissions.nav

DOI: 10.1177/1745691612465253

<http://pps.sagepub.com>

If we go to the library web site, we can enter the name of the journal into the search field:

...
